Chapter 1 by Janyjah Corley

It was the worst Friday ever. I had lots and lots of homework. And all of it was on books. Where am I suppose to get a book from? My mom says to read when I get the time to, but I am always busy. My dad is always working so he can not get me a book. Then suddenly, a light bulb levitated over my head and lit up, I had the perfect idea! Just say my dog ate my homework. The next day was even worse because my dad wasn't working today. So I had to go get a book and actually do my homework.
